

ABOUT THE COLLEGE

Govt Arts College (A), Salem-7, is one of the oldest premier higher education centre of Tamilnadu. It is situated in the heart of Salem city. It caters to the needs of people, who aspire for higher education in Salem and neighboring areas. It was improved as an Anglo-Vernacular School in 1857 by A.J. Alexander Arbuthnot. In the same year, it was converted into district school (Zillah high school). Then 195 students studied in that school. The school upgraded into college and affiliated to Madras University. Later, it was maintained by Salem Municipal Council since 1885. It was raised to the status of the first grade college.

Now the college offers 19 UG and 18 PG courses. 10 Departments offer Research studies both M.Phil and Ph.D. Well Qualified teachers pursuit knowledge and train students academically.

ABOUT THE DEPARTMENT

The Geography is one of the elderly departments in our college it was started in the year 1966 as Under Graduate department with 24 students and 5 teaching faculties. As a unique nature of the subject it has been teaching by English Medium. It has been producing students of outstanding calibre at UG level and PG level. Even though our college located at the centre of the city socially and economically deprived students are studying. Ideal nature of the subject attracts the students from the neighbouring villages' as well as nearby districts also. The department has highly qualified (passed in National Eligibility Test, State Eligibility Test, and Master of Technology) and eminent faculties. The faculty of our department has sound knowledge in competitive examinations. Habitually they have been invited by the Tamil Nadu Public Service Commission, Teachers Recruitment Board and Staff Selection Commission for various confidential works.

Remote Sensing, GIS and GPS has brought fabulous changes in day today life our department faculties are expertise in this field. As their vast experience in teaching research and competitive examinations their wide knowledge imparts the students as intellectual and employability skill. To fulfill necessitate of the students Post Graduate Programme was started in the year 2015 with 20 students and 2 more post was allotted.

Most of our distinguished alumni are working in Central, State and Private Sectors as Joint Director of School Education, Professors, School Teachers, Lawyers, Banks, Software companies, GIS software companies, Matriculation Schools and Private sectors.
